# PTO Fundraising

March 16th—May 25th

**New Playground  
with safer floor**

PTO is seeking help from all students, parents, and community members of DNA/Atlanta Science Academy to replace the existing out-of-date, broken playground. Please help us by collecting donations from friends, family and businesses.

We received an estimate from a highly recommended company to install the playground with a safer floor for our children. The cost is almost \$30,000. So far, we have collected \$16,000.

- Chocolate sale - \$3,000
- Donations from generous donors - \$11,000
- PTO Hot Lunch - \$2,000

Our goal is to raise another \$15,000 so we can install the playground during Summer break.

With your help we can reach this goal easily.

*Win an ice-cream party for your class by having a 100% participation of at least \$5.00 each student. The highest fundraising class will be rewarded with a pizza class party.*

Donations will be collected every Friday morning to record class totals for that week.

*Thank you for enriching the lives and education of all our children by supporting the DNA PTO.*

*Win it!*
